RISE Augusta believes in the potential of all children to be successful, but sometimes they need a helping hand along the way. Whether it is meeting basic needs, providing literacy immersion programs for young children, or offering skill development for high school students--- our goal is to break the cycle of poverty by investing in student success before they become another statistic.

WRAP AROUND SUPPORT	Food Because hungry kids cannot learn 	Housing One-time utility help
	Clothing/Shoes Clean clothes, shoes that fit 	Medical, Dental, Optical Exams Clinics and support
	Referrals To agencies who can provide long-term help 	
	WE PROVIDE THE FOLLOWING AS NEEDED TO STUDENTS IN OUR PROGRAM	

2022/2023 STRIVE Program

To further help students achieve success after graduation our new workforce development program STRIVE stands for:

- S - Skills
- T - Training,
- R - Relevant
- I - Internships
- &
- V - Vocational
- E - Education

Through STRIVE, we will provide resources for struggling students (and eventually adults) based on their strengths and interests, building a job plan and securing either additional training through internships, apprenticeships and certifications or by employment placement.
